

PAWNEE CITY CHAMBER OF COMMERCE
Minutes of March 6, 2008

Members present: Ron Puhalla, Renee Boomgaarn, Carolyn VanHorne, Dan Lovercheck
and Alan Richard

In the absence of President Steve Glenn Ron Puhalla, Vice President presided, calling the meeting to order, asking for the approval of the minutes of Febr. 7, 2008 and of the treasurer's report and calling for updates on any of the existing projects.

Re: Redbud project: On our request from the City for 500.00 toward the tree expense, the City granted \$250.00 which they will pay as soon as billed.

5 new houses: Four have been moved in, though only three placed on the foundations. Faith Medina says they plan to have some kind of Open House to include the handicapped house. It was suggested that at the same time perhaps some kind of acknowledgment to John DeFreece and the Welcome signs be given.

Flashing sign: Probably have to be moved inasmuch as the lot owner has begun work on a building.

Outdoor summer theater: Need to find new location. Renee will contact Carol Young to be put on the County's agenda for March 11 for permission for use of some area of the Courthouse Square.

Scholarship: Renee seeking theme.

Membership: Carolyn needs current membership list. Renee's printer down.

Community Auction: Mike Wilcox requests contact to local groups if there will be food stands.

Other business: Renee had an inquiry from the City about a \$178.00 bill for repair of the Dan Whitney sign which they understood that we would pay.

Adjourn until April 3, 2008
